

A donation to the Imperial Band Club

With the initiative of Sam Vella and with the assistance of Helen Caruana, a number of emigrants, sons and daughters of Mellieħa living in Australia and California (USA), have joined together to raise money in order to continue helping the Imperial Band Club transmit the Festa live on the Internet.

This year is the twentieth consecutive year that the Imperial Band Club will be transmitting the Festa live. Through this initiative, our brothers and sisters who cannot join us for whatever reason, be it distance or health, can follow the activities being organised by our Club and, even if for a few days, feel the community celebrating together in honour of our Lady of Victories.

As from this year, we will run an experiment whereby we will be transmitting live from the Mellieħa Parish Square throughout the year by means of a camera bought for this purpose through the funds collected. In this way, any activities that are organised from time to time in the Square can also be enjoyed by everyone.

The President and Committee would like to express their sincere thanks to:

- Emigrants living in Australia:
 - Anthony and Pauline Attard (Hurlstone Park)
 - Louis and Josephine Borg (Sunshine)
